

Program to find the length of the string

```
<!DOCTYPE html>

<html>

<body>

<h2>JavaScript String Properties</h2>

<p>The length property returns the length of a string:</p> <p id="demo"></p>

<script>

var txt = "ABCDEFGHIJKLMNOPQRSTUVWXYZ";

var sln = txt.length;

document.getElementById("demo").innerHTML = sln;

</script>

</body>

</html>
```
